

Nordland Youth League ~ROCK~

Spring/Summer Addition

Wrapping up the school year

As our senior students are counting down the days (including the seconds) that they will soon say goodbye to the halls they once walked and the friends they walked those halls with for years... We prepare to watch God's plan unfold in their lives as they venture off down a road not yet traveled.

Please know that you are all in our thoughts and prayers and we wish you the best as you complete your senior year of high school and open new doors in your future. God

be with you every step of the way, always knowing that your Nordland family is just a call away.

With school coming to an end so is our every Wednesday night youth league. The last Wednesday night before school ends will be Wednesday **May 19th**. Weather permitting we will plan to have a hotdog and marshmallow roast with a few yard games to end our year and kick off summer nights.

This also means that Java and Jesus is coming to an

end for the school year... we will meet for the last time on **May 16th**. We will have breakfast for everyone attending that day.

Summer Events: Summer events will take place. We will notify you of the events via flyer/phone call/mailings etc.

Hope everyone has a safe-fun summer! Looking forward to seeing you at some of our summer events.

Special points of interest:

- Last Wednesday Night Youth League— May 19th Starts @ 6:30
- Last Java and Jesus— May 16th @9:15 Breakfast provided.

ROCK NEWS

We have the opportunity for several outreach projects this Spring and Summer.

Are you ready to serve others? If you are ready to ROCK— we are ready to roll as some of these projects are coming up fast. Here are a few of the possible projects— if you are interested and committed to do one of these projects— text/call Colleen:

*Resort clean up— this event needs to take place ASAP. We will spend a few hours cleaning a local resort and assisting the owners to prepare for the 2010 summer.

*Youth Spring In-Reach— do you have a skills, talent or time you can offer? As an In-Reach project we can use our bulletin board to offer your services for free to our congregation— Colleen will be talking about this Wednesday May 12th— if you are interested in providing a

service— let Colleen know and she will post it on the youth board with your name and number. Example if you would like to offer a free night of babysitting or a free lawn clean up or mowing etc.

*Mission Fest takes place in June— if you would like to donate your time/ talent/service and have them auction you off during this event— let Mary Downs or Gail Thompson know as they are assisting with the planning.

• Summer Employment:

If you are interested in earning some summer funds and you enjoy working outdoors — see Colleen— we have a few members looking to hire youth for yard work and misc. tasks.

First of all thank you all for your support and help the past few months.

Important dates:

Last day for Wednesday Nights before summer starts: **May 19th**

Last day of Sunday School– Java and Jesus: **May 16th**

As summer events are planned the youth and parents will receive information via mailings/posting in the bulletin and on the youth bulletin board as well as phone calls. Sometimes a last minute get together can be fun ~ However, we will do our best to give you event notices well in advance.

The youth have asked for a Valley Fair trip; we are in the process of picking a possible date to do this. We can use the Credit Union to purchase discount tickets...watch for future dates and info on this.

We also have several requests for In-Reach opportunities. Some are listed on the front of this flyer– please encourage your youth to take part in the events.

If you are interested in serving on any of the planning teams or you have an interest to assist with organizing our annual fundraisers please contact one of the following parents that assisted in the past 6 months as I am sure they would love additional

help and willing bodies:

Spaeth family

Kranz family
